253495	GEAR TRAY TO SUIT FRONT # GB03	-
253496	GEAR TRAY TO SUIT BACK # GB03	-

* Control Gear not included.

EYE Lighting offers a range of capacitors & ignitors to meet common field replacement needs. These products meet very specific performance parameters so please take care to match the correct specification product with your replacement needs given the control gear type, wattage and distance from the fixture (the latter is especially important in the case of ignitors for HPS lamps).

CAPACITORS		
Code	Description	Voltage
517108	6 U/F CAPACITOR	250
517113	11 U/F CAPACITOR	250
517115	15 U/F CAPACITOR	250
517116	20 U/F CAPACITOR	250
517117	25 U/F CAPACITOR	250
517119	30 U/F CAPACITOR	250
517120	35 U/F CAPACITOR	250
517098	40 U/F CAPACITOR	250

IGNITORS	
Code	Description
510167	ATIG-14
510162	AZRM2ES
510161	AZRM6ES
510164	AZRM12ES
510171	UPZT8011L IGNITOR
510180	UZPT8011B IGNITOR
